

2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Response:

At IKGPTU Campus, Hoshiarpur students learning skills are enhanced by adopting student-centric methods like participative learning, experiential learning and problem solving methodologies both inside and outside the classroom.

- ✓ Students are encouraged to participate in various co-curricular activities organized in collaboration with prestigious organizations. This gives them the exposure to the work and views of leading experts, academicians, artists and activists on different societal and environmental issues.
- ✓ The Placement Cell assists students in securing internships that provide them an opportunity to learn as they work.
- ✓ Students actively participate in co-curricular and outreach activities organized by various Committees of the college.
- ✓ Department-specific activities like industrial visits to nearby local industries.
- ✓ Students are also involved in faculty-guided projects funded by institutions/organization of repute.
